

## Rapid River Second Grade Supply List for Mrs. Viau's Room 2023-2024

When you are picking up the school supplies to start the year, this is a good time to get extra supplies to be able to replenish your child's supplies during the year. Please try to take advantage of the lower prices when Back to School sales start in August.

- 1 8 oz. White Elmer's Glue bottle
- 2 10 pack of glue sticks
- 10 No. 2 pencils for each marking period (The fancy designer ones do not sharpen well.)
- 4 Folders no clasps (1 yellow, 1 blue, 1 red, and 1 green) (Please get the cheap folders with the pockets that go straight across the bottom)
- 1 Folder with clasps (Any design is fine)
- 2 composition notebooks (Not spiral bound)
- 1 12/24 pack of colored pencils
- 1 pair of head phones to use with Chromebooks
- 1 pair of scissors (Fiskars are best)
- 1 pencil box to hold everything
- 2 packages of pencil top erasers (one for your child one to be shared)
- 1 1 inch 3 ring hard binder
- 1 4 pack Expo Dry Erase markers (No Red Please)
- 1 Container of disinfecting wipes to clean our desks before snack time.

Other items needed in the classroom to be shared by everyone: Large white paper plates, small white paper plates, glue sticks, Skittles and M&M's (the shareable kind), and white lunch bags. Thank you, in advance for your generosity.

Also, in second grade the parents provide a daily healthy snack for their child. By healthy I mean fruits, vegetables, string cheese, yogurt, or fruit cups, etc....no chips or candy.
