Dear Rapid River Parents/Guardians:

Our school district is pleased to offer summer school programming once again for our students! **Elementary students in grades 1-5** are invited to participate in the summer learning program as an opportunity to extend or enrich learning. **Students in grades 6-12** will be able to use this opportunity as a means of enrichment and credit recovery. Each student will have to fill out and return the parent permission slip attached by Wednesday, May 10. Please consider this learning opportunity and if you have any questions, contact us at (906) 474-6411.

The program's purpose at the elementary and middle school level is to supplement instruction and better prepare students for their transition to the next grade level. The curriculum will not be the traditional standardized curriculum one might see during the school year, but rather a more project-based, student-centralized theme. Please contact your child's teacher if you would like more specific information regarding your child's skills and the benefits of attendance at our summer school program. At the secondary level, the focus will be on credit recovery toward graduation requirements for courses students were not successful at during the school year.

The RRPS Summer Learning Program will run for 6 weeks. Transportation will be provided upon request and breakfast/lunch will be available. The dates and times are as follows:

- * **June 12- June 29**
- * **July 10- July 27**
- ***4 days per week (Monday- Thursday)**
- ***9:00 a.m. - 12:00 p.m.**

All students in 1st through 12th grade are invited to participate, but **MUST** complete the attached parent permission form and return it to the office by **Wednesday, May 10, 2023**. Students will not be required to attend every week of instruction, but we would like to know ahead of time for planning purposes.

We hope to see you this summer!

Warm Regards,

Rachal Gustafson
